We consider alumni, students, parents of students, and the local community living near Nagoya University, who have kindly supported us throughout our long history, to be part of our family. For our 8th HOMECOMING DAY, we have the pleasure of inviting our "family" to the university. We are planning a wide variety of events and are currently making our best efforts to prepare for them. We look forward to our HOMECOMING DAY and hope that many of our "family" will come home to enjoy the day and celebrations with us.
